## DAD

Dad, it still feels strange to say goodbye, when my heart keeps reaching for you.

I catch myself wanting to tell you things, the way I always used to do.

You were my calm in every storm, my steady place to fall.

You taught me strength without loud words—you showed it just by being you,  
after all.

I feel you now in quieter ways, in moments you would've made better.

In the warmth of a memory, or the echo of your laughter.

Though you've gone where I can't follow yet, your love still guides my days.

I carry you in everything—in my choices, in my ways.

Rest now, Dad, in gentle peace. Your work is done, your burdens light.

And until I can hold you again, I'll keep you close in every breath,  
and every prayer, each night.

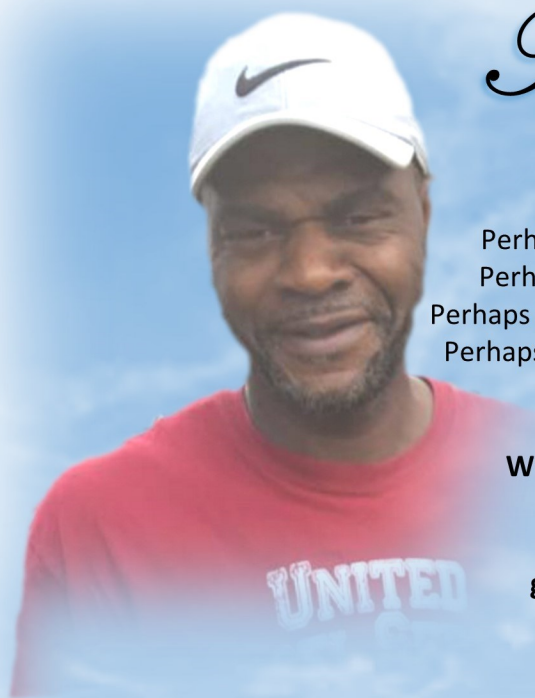

Kiana, Markus & Alicia

*"May God forever bless you."*

# Acknowledgements

Perhaps you sent a lovely card, or sat quietly in a chair,  
Perhaps you sent a funeral spray: if so, we saw it there.  
Perhaps you spoke the kindest words that any friend could say,  
Perhaps you were not there at all, but thought of us this day.

**Whatever you did to console our hearts,  
We thank you so very much, whatever the part.**

**We, the family of Mark Donell Harris,  
gratefully appreciate your love and support.**

***"May God forever bless you."***
